

INTRODUCING SPARK

Ignite your learning

What is the Spark Learning Portal?

The new Spark Learning Portal is the College's professional development system which allows you to search, register and track your training and professional development activities. The new system will serve as a "one-stop" shop for all training and professional development programs offered within the College, including the Organizational and Talent Development office and the Center for Teaching and Learning.

The NEW San Jacinto College Professional Development Management System

How Do I Log In?

The Spark Learning Portal is available online via the SuccessFactors Performance Management website. The Spark Learning Portal is available 24 hours per day and 7 days per week.

Step 1: Go to www.sanjac.edu/success-factors

Step 2: Enter your login information

SJC Full-Time Employee Login Information:
